Testimonials

"...I would highly recommend this course! There is no other course like it, a mixture of science, research and practical hands on lessons that can differentiate your practice from others!... Cannot wait until the next session. Thanks for making me more knowledgeable on the topics of a different way than any other TMD or Sleep course that I have ever taken!"

—Dr. Cynthia K. Brattesani, San Francisco, CA

"You will leave this course prepared to treat TMD and Sleep Disordered Breathing at a level you didn't even know existed. No other CE program has delivered results like this one. Dr. Olmos' researched/evidenced based systems added \$1,000,000 of production to our practice within 12 months. This will be the best investment you've ever made in your practice."
