## TMJ & Sleep Therapy Centre of San Diego

### *TMJ & Sleep Therapy*

For more than 35 years, Dr. Steven Olmos has researched and treated craniofacial pain, temporomandibular disorder, and sleep-disordered breathing. A graduate of USC School of Dentistry, he is board certified in craniofacial pain and dental sleep medicine.

Dr. Olmos is an international educator and founder of TMJ & Sleep Therapy Centres International, with over 60 centers in seven countries that are utilizing his standardized system. He is currently directing research in these fields to establish protocols between dentistry and medicine for optimal treatment outcomes.

He personally sees patients at TMJ & Sleep Therapy Centre of San Diego, the only American Academy of Dental Sleep Medicine-accredited facility in the county, dedicated exclusively to the treatment of craniofacial pain and sleep breathing disorders. The Centre of San Diego is proud to be the flagship office of TMJ & Sleep Therapy Centre International. ■
