Testimonials

"We have implemented Dr. Olmos' TMD/Sleep and Ortho protocols for years now. This approach has considerably raised the precision of our diagnosis, the speed of treatment and has consistently produced predictable resolution of our patient's conditions. Implementing Dr. Olmos' protocols has elevated our good track record to great."

— Dr. Joseph Baba, DDS - Wichita, KS

"I hands down recommend this course to anyone and everyone to help treat your patients better. This is going to drastically change the way I approach my cases and the education I'll be able to give to patients and their parents. The things I've learned here are things I would absolutely never have learned in school or a different residency program."

— Dr. Dave Martin, DMD - Gainesville, FL
